sively, may, almost simultaneously, assembled and adopted new constitutions, in conformity States, which abolishes slavery theneforth forever. The people of these States have at the
same time chosen for themselves governors, legislatures, judiciaries, and municipal authorities.
Between the federal government and these restored and reorganized State governments there
exists now a more complete and practical harmore than has ever before prevailed between
the Union and so many of its members since it
was first established. Within the same time the
Executive Department of the United States has
assumed its functions among the people of the
former disloyal States. The State Department
speaks for them with their full consent to princapalities and powers. The Treasury collects the
mational imposts and taxes there; the War Department distributes its forces whenever and
wherever it seems necessary and expedient te
guarantee peace between the inveterate but fast
expering factions. The Navy of the United
States rides freely in all their re-opened ports and
